

EMPLOYMENT ESSENTIALS

Resourcing in a Tight Labour Market

Are qualified candidates hard to attract in your industry?

Are your existing staff migrating to your competitors?

Do you need a plan to retain and develop the staff you have?

Are you overwhelmed with candidates, but of the wrong caliber for your business?

Join Kay Chapman in this engaging seminar for valuable tips and tools to ensure you source and keep the best employees. Key topics:

- Attracting stand out candidates that not only want to work for you but want to stay
- The importance of an efficient and credible recruitment process
- Probing interview & reference checking techniques to ensure you get the right fit
- Creating a referral program that works
- Getting the job offer and agreement right before they start

Wednesday 20 February 2019, 10am - 11.30am
